Events Recap

CLUB FEST

Thank you to everyone who stopped by our ClubFest table! We enjoyed introducing CHR to students and sharing our publications, artwork, and stickers.

CHR WORKSHOPS

Our writer, editor, and artist workshops have all wrapped up for the fall semester. Thank you to everyone who joined us as we work toward the next issue!

COMING NEXT

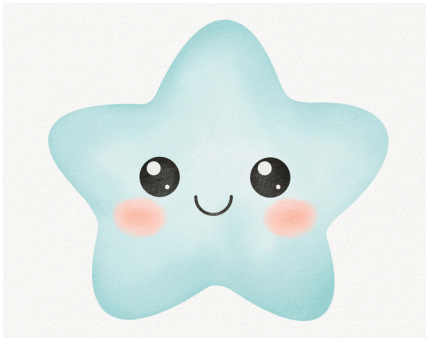

Final submissions are due November 18—we're almost there! Please keep this deadline in mind as we wrap up our FA26 issue!

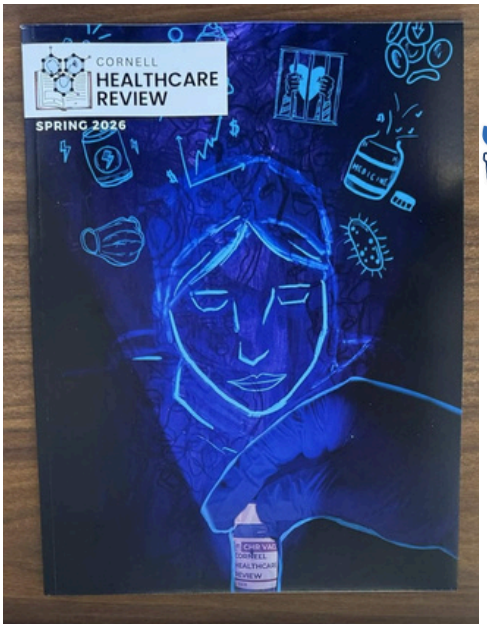

Spring 2026 Launch Party

Celebrating a semester in print

We came together to celebrate the Spring 2026 issue and the writers, editors, and artists who brought it to life. Thank you to everyone who helped make the issue possible and joined us to celebrate!

The Spring 2026 issue and the people that made it happen!

Upcoming Speaker

Jennifer Kindman, M.D.

OCTOBER 26 | 5:30PM | ZOOM

MEET DR. KINDMAN

Dr. Kindman is an Assistant Attending Physician at NewYork-Presbyterian Hospital and holds appointments at Weill Cornell Medicine as Assistant Professor of Emergency Medicine in Clinical Radiology and Assistant Professor of Clinical Emergency Medicine.

EDUCATION & TRAINING

She earned her B.A. at Duke University, then completed Columbia University's premedical postbaccalaureate program and earned her M.D. at Columbia.

EMERGENCY MEDICINE

Dr. Kindman completed her emergency medicine residency at NewYork-Presbyterian Brooklyn Methodist Hospital and is board certified by the American Board of Emergency Medicine. Before joining Weill Cornell in 2024, she practiced at Middlesex Hospital in Connecticut and Sollis Health in New York City.

Read Dr. Kindman's full bio at Weill Cornell Medicine
